Citizenship

San Marino

Date of birth

07.06.1960

Sex

Male

Fiscal Code

FLPMRZ60H07Z130U

Professional sector

Healthcare Medical Surgeon

Professional experience

Date

1983–1986 Bologna

In the period 1983-1986 he attended as an internal student the Physiopathology of Reproduction (then directed by Prof. Carlo Flamigni), actively participating in the activities of the Sterility Center in the group of Dr. Corrado Melega

1989–2017 San Marino

From June 1989 he enters the staff with full title in the Division of Obstetrics and Gynecology of the State Hospital of the Republic of San Marino, a structure where he still works today with the qualification of Aid, routinely carrying out the operational activity of Sala Parto (episiorrafiche Sutures, Revisions of cavities, Manual Secondaries, Utero-vaginal tamponades, Correction of uterine inversions, etc.), of the Operating Room, indifferently using the access pathways of female genital surgery (laparotomic, laparoscopic, and vaginal) to perform simple or radical hysterectomy, Single or multiple myomectomy, Enucleation of Ovarian Cysts or Anteiectomy, Correction of pelvic statics, of prolapse and urinary incontinence (insertion of sub-urethral sling or Mesh), Caesarians, etc. and Outpatient Surgery (Leep Conisations, CO2 Laser Vaporizations, Diagnostic and Operative Hysteroscopies).

1998-2017 San Marino

After the experience at Clermond Ferrand (France) for the achievement of the European Diploma of Operative Endoscopy in Gynecology, from 1998 he began to perform interventions of 1st -2nd and 3rd level endoscopic, with accreditation in 2003 at the 2nd level at the Italian Registry of SEGi (Italian Society of Gynecological Endoscopy codes L2 106902 - I2 104902).

2010-2017 San Marino

In 2010 he became Head of the Functional Module of Gynecological Endoscopy at the U.O.C. of Obstetrics and Gynecology of the State Hospital of the Republic of San Marino.

2011-2016 Rome

On May 16th, 2011 he becomes SCATEST Accredited Operator by training at the Artemisia Center in Rome of Prof. Claudio Giorlandino for the screening of fetal aneuploidies, according to what is foreseen by the National Plan Guidelines for Prenatal Screening Number 8656AD73 (Italian Society of Prenatal Diagnosis and Medicine Maternal Fetal).

2011-2012 Forlì

In April 2011 he began a professional collaboration at the Villa Serena Private Hospital in Forlì, performing interventions of Hysteroscopy, Resectoscopy and Diagnostic and Operative Laparoscopy.

Main activities and responsibilities

Responsible for the Functional Module of Gynecological Endoscopy

Name and address of the employer

ISS Institute for Social Security of the Republic of San Marino

Type of business or sector

UOC of Obstetrics and Gynecology

INSTRUCTION

- * On 04.07.1979 he obtained the Diploma of Classical Maturity at the State High School of the Republic of San Marino
Vote 40/60
- * On 27.06.1986 the Degree in Medicine and Surgery is obtained at the University of Bologna, discussing the thesis entitled "The infertility of couples from immunological causes: clinical and laboratory aspects", supervisor Prof. Carlo Flamigni.
Vote 110 and praise.
- * On 24.10.1991 he obtained the Diploma of Obstetrics and Gynecology at the University of Florence, discussing the thesis entitled "Prognostic factors of the Cervico-Carcinoma", supervisor Prof. Giambattista Massi.
Vote 70/70
- * On 03.07.1998 he obtained the European University Diploma of Operative Endoscopy in Gynecology at the University of Auvergne (Clermond Ferrand), discussing the thesis entitled "Diagnostic and operative hysteroscopy", lecturer Prof. Maurice-Antoine Bruhat.
Voting not known

TRAINING*** 1999-2019 San Marino**

* Organized in San Marino since 1999 Theoretical-practical courses in small groups on:

- * 1. Theoretical-practical courses on fetal echocardiography - Prenatal screening of congenital heart disease by studying the four chambers and long cardiac axes (Docenti Dott. F.Taddei, Dott. D. Paladini, Dott. P.Volpe),
- * 2. Theoretical-practical courses of Color Doppler Flowmetry in Obstetrics (Docenti Dott. F.Taddei, Dott. D. Paladini, Dott. P.Volpe),
- * 3. Theoretical-practical courses of Color Doppler in uterine and adnexal pathology (Doctors Dr.ssa C.Exacoustos, Dr. M.E. Romanici, Dr. G.Rinaldo)
- * 4. Theoretical-practical echographic screening courses on the pathology of the first trimester (Professors Prof. H. Valensise, Dott.ssa C. Exacoustos, Dott.ssa B. Vasapollo),
- * 5. Theoretical-practical courses of ultrasound screening on congenital anomalies in the second trimester of pregnancy (Docenti Dott. F.Taddei, Dott. D. Paladini, Dott. P.Volpe),
- * 6. Theoretical-practical courses of clinical cardiotocography (Professors Prof. H. Valensise, Dr. B. Vasapollo)
- * 7. Theoretical-practical echography courses for midwives on the use of ultrasound in physiological pregnancy and obstetric emergency services (Doctors M. Filippini, Dott.ssa M. Farinelli, Dott. S. Palma, Dott.ssa G Gamberini, Dr. F. Taddei)
- * 8. Theoretical-practical Courses of Pelvic Floor Re-education pregnancy, childbirth and puerperium (Professors G. Lamberti, D. Giraudo)
- * 9. Theoretical-practical courses on the management of some obstetric emergencies (shoulder dystocia and obstetric suction device application) (Doctors Dr. A. Ragusa, Prof. A. Vacca, Dr. E. Beer)
- * 10. Basic Courses on Laparoscopic Surgical Gesture: an in vitro school (Doctors M. Balducci, M. Filippini, G. Landolfo, F. Giambelli)
- * 11. Advanced courses of trans vaginal ultrasound in gynecology (Teachers L. Savelli, A. Testa)
- * 12. Courses on "Use of the" Office Hysteroscopy "in daily practice (Doctors M. Balducci, M. Filippini, F. Giambelli)
- * 13. Academic report on "Use of lasers in gynecological diseases", within the specialization school of Obstetrics and Gynecology of the Second University Clinic of Naples, directed by Prof. Giuseppe De Placido
- * 14. Basic Courses on Laparoscopic Surgical Gesture: "The Suture" (Doctors M. Balducci, M. Filippini, G. Landolfo, F. Giambelli)
- * 15. Theoretical training courses on the use of laser in the pathology of the female lower genital tract and in the treatment of genitourinary syndrome for doctors from all regions of Italy and the world (Brazil, Portugal, Slovenia, Croatia, Switzerland, Turkey, Abu Dhabi, Dubai, Latvia, Austria, Slovenia, Germany, Holland)

Title of qualification awarded

DEGREE IN MEDICINE AND GYNECOLOGY. SPECIALTIES IN OBSTETRICS AND GYNECOLOGY

Principal subjects / occupational skills acquired

ENDOSCOPIC GYNECOLOGICAL SURGERY, OBSTETRIC AND GYNECOLOGICAL ECOGRAPHY, PATHOLOGY OF THE LOWER GENITAL TRACT

CONGRESS, EDUCATIONAL AND SCIENTIFIC ACTIVITIES

1990-2005 San Marino

Since 1990, he has participated, as a teacher, in the teaching activities first of the Professional Nursing School and then of the University of the Republic of San Marino - Department of Biomedical Studies - Nursing Degree Course

1991 San Marino

Speaker at the monthly refresher meetings in Gynecology and Obstetrics (January - June 1990) held in San Marino, in collaboration with Prof. Ernesto Guerresi

1996 San Marino

Speaker on 14 May 1996 at the meeting on "Tumors and prevention: epidemiological and clinical aspects."

1997 San Marino

Speaker on 23 May 1997 at the second meeting on "Tumors and prevention: epidemiological and clinical aspects."

2001 San Marino

Speaker on 07 June 2001 at the refresher course on "The role of cytology in clinical diagnostic and screening programs. Indications and limitations" with the presentation "Pap test: lights and shadows"

2002 Pisa

Speaker on 14 December 2002 at the Symposium on "Adhesion phenomena in Gynecology" held in Pisa at the Baxter Center, with presentation of the case history of the Republic of San Marino

2003 San Marino

Speaker on 17 January 2003 at the refresher course on "Prevention screening for cervical cancer and breast cancer in the Republic of San Marino"

2003 Faenza

Speaker on 29 March 2003 at the Regional Congress of the Italian Society of Gynecological Endoscopy (SEGI), held in Faenza, with the presentation "Laparoscopic surgery in the Republic of San Marino"

2003 San Marino

Speaker on 15 April 2003 for the presentation of a "Cervical screening program in the Republic of San Marino"

2004 San Marino

Speaker at the information meetings of Medicine organized by the "San Marino University of the Free Age Il Sorriso": Prevention in the Gynecological Field. Domagnano, 04 March 2004

2004 San Marino

Speaker at the public meeting organized by the Sammarinese Oncology Association on "Cervical cancer screening in the Republic of San Marino". Fiorentino, 07 April 2004

2004-2005 San Marino

Teacher at the 1st intensive theoretical-practical course on "Use of ultrasound by the midwife in the assistance of physiological pregnancy and in obstetric emergency care", Domagnano 20 November 2004

2005 San Marino

Speaker at the meeting "Surgical Invasivity: Comparison of Techniques" with the report "Advantages and Complications of Laparoscopic Surgery in Gynecology", San Marino 05 June 2005

2006 Pescara

Organizer and speaker at the intensive course on Use of ultrasound by the midwife in the assistance of physiological pregnancy and in obstetric emergency care", Pescara, 04-05 March 2006

2006 San Marino

Speaker on 27 March 2005 at the meeting on the prevention of cervical cancer with the report "Clinical management of abnormal Pap tests".

2006 Faenza

Speaker on 31 March 2006 at the Regional Congress of the Italian Society of Gynecological Endoscopy (SEGI), held in Faenza, with the presentation "Endoscopic activity in the Republic of San Marino"

CONGRESS, EDUCATIONAL AND SCIENTIFIC ACTIVITIES

2006 San Marino

Organizer of the first theoretical-practical course on "Use of 3-4 D ultrasound in obstetrics", San Marino Centro SH, 13 May 2006

2007 San Giovanni in Marignano (Cattolica)

Tutor at the practical course on laparoscopic sutures at the First International Course on Advanced Laparoscopy: Treatment and Overtreatment, San Giovanni in Marignano, 28-29 September 2007

2007 Rome

Speaker at the meeting "EXPERT MEETING on "TVT SECUR: The Italian experience 1 year later", Pratica di Mare, Rome 11 December 2007

2008 San Marino

Speaker at the meeting "Is endometriosis a social disease? on "Nosographic and social framework of endometriosis. Medical or surgical treatment?" San Marino, May 13, 2008

2009 Trieste

Speaker at the meeting on "Caesarean section. What precautions?" with two reports: "Incidence and consequences of adhesion formation in caesarean section" and "Use of Interceed in caesarean section: the experience of the Social Security Institute of San Marino", Trieste, Burlo Garofalo Hospital, 14 January 2009

2009 San Marino

Organizer of the first theoretical-practical course on "Some emergencies in the delivery room: application of maneuvers for shoulder dystocia and use of the obstetric vacuum extractor", San Marino 16-17 May 2009

2009 Ravenna

Speaker at the meeting on "Outpatient hysteroscopy: current applications" held at the Aula Magna of the Hospital Presidium, Ravenna Hospital, 29 May 2009

2009 San Marino

Organizer, Teacher and Responsible for the theoretical-practical course on "Laparoscopic surgical gesture: an in vitro school", San Marino, 08-09-10 October 2009

2009 Ravenna

Speaker at the meeting on "Fetal heart scanning techniques with presentation of some pathological pictures" held at the Aula Magna del Presidio Ospedaliero, Ravenna Hospital, 12 September 2009

2009 San Marino

Organizer and Manager of the refresher course on "The female pelvis: from surgical anatomy to anatomical surgery", San Marino, 30 October 2009

2009 San Marino

Organizer, Teacher and Manager of the theoretical-practical course on "Use of ultrasound by the midwife in the care of physiological pregnancy and in obstetric emergency care", San Marino, 21 November 2009

2010 San Marino

Organizer and Manager of the advanced theoretical-practical course on transvaginal ultrasound in gynecology, San Marino 29 May 2010

2010 Riccione

Speaker at the meeting on "Infertility: from diagnosis to therapy", organized by the Pegaso Center of Riccione in collaboration with the SISMER of Bologna, Riccione, September 17, 2010

2010 San Marino

Organizer, Teacher and Head of the theoretical-practical course on "Laparoscopic surgical gesture: an in vitro school", San Marino, October 07-08-09, 2010

2010 San Marino

Speaker at the meeting on "Chronic pelvic pain from endometriosis: new medical-surgical therapeutic approaches", San Marino, October 16, 2010

2011 San Marino

Organizer, Teacher and Head of the theoretical-practical courses on "Use of "Office Hysteroscopy" in daily practice", San Marino, March 12, 2011

CONGRESS, EDUCATIONAL AND SCIENTIFIC ACTIVITIES

2011 San Marino

Organizer, Teacher and Head of the theoretical-practical course on "Use of ultrasound by the midwife in the assistance of physiological pregnancy and in obstetric emergency care", San Marino, 09 April 2011

2011 San Marino

Speaker at the meeting on "Couple infertility" for the permanent training in General Medicine (GPs), San Marino, 23 May 2011

2012 San Marino

Speaker at the conference "VULVODYNIA: the difficulty of diagnosis, the variability of therapy" with a report entitled "Vulvodynia in sexually transmitted diseases", San Marino, 12 May 2012

2012 San Marino

Second operator during the live broadcast from the operating rooms of the State Hospital of the Republic of San Marino, of a Colposacropexy operation performed during the 4th educational Meeting "The dysfunctions of the pelvic floor" and held in San Marino at the Kursaal Congress Centre, San Marino, 30 November – 02 December 2012

2013 San Marino

Speaker at the meeting "MONNALISA TOUCH: the first non-hormonal treatment for Vaginal Atrophy", Valdragone, 03 May 2013, Rep. San Marino

2013 Riccione

Speaker at the III° National Congress of Integrated Medicine "Integrated Medicine in Clinical Practice", 15 June 2013, Hotel Corallo

2013 Palau (Olbia, OT)

Speaker at the Integrated Medicine update meeting with a report entitled "MONNALISA TOUCH: the first non-hormonal treatment for Vaginal Atrophy", 10 September 2013, Palau Santa Giusta Village

2013 Giardini Naxos (CT)

Speaker at the Integrated Medicine update meeting with a report entitled "MONNALISA TOUCH: the first non-hormonal treatment for Vaginal Atrophy", September 12, 2013, Atahotell Giardini Naxos (CT)

2013 Rimini

Speaker at the Pediatrics and Gynecology update meeting with a report entitled "MONNALISA TOUCH: how to defeat Vaginal Atrophy naturally", September 28, 2013, Hotel Sporting Rimini

2013 San Marino

Speaker at the National Conference "MonnaLisa Touch, new laser technology for the gynecologist. Defeating vaginal atrophy naturally", Sala Convegni Hotel San Giuseppe, San Marino 19 October 2013

2013 Rome

Speaker at the 18th Advanced Course in Aesthetic Medicine on the subject of Menopause, comparison and news on fillers, equipment, suspension threads and biostimulation, Midas Jolly Hotel, Rome 14-15 December 2013

2014 Catania

Speaker at the update meeting on "MonnaLisa Touch, new laser technology for the gynecologist. Defeating vaginal atrophy naturally", Sala Poliambulatorio G2, Catania 22 February 2014

2014 Modena

Speaker at the XII Regional Congress AOGOI with the report "MonnaLisa Touch, new laser technology for the gynecologist. Defeating vaginal atrophy naturally", Hotel Raffaello, Modena, March 28, 2014

2014 Ferrara

Speaker at the update meeting on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Sala Convegni Ospedale Sant'Anna, Ferrara, May 29, 2014

CONGRESS, EDUCATIONAL AND SCIENTIFIC ACTIVITIES

2014 Bari

Speaker at the refresher course on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Hotel Parco dei Principi, Bari, June 14, 2014

2014 Bertinoro (FC)

Speaker at the refresher days on outpatient activity in Gynecology and Obstetrics with a report on "New frontiers in the use of laser in vulvo-vaginal pathology: MonnaLisa Touch", and a report on "Slide course: hysteroscopic pictures. From image to diagnosis" - Rocca di Bertinoro, October 13-14, 2014

2014 Modena

Speaker at the refresher course on "MonnaLisa Touch, microablative fractional photo-rejuvenation technique", UNA Hotel, Modena, November 19, 2014

2014 Naples

Speaker at the refresher course on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Clinica Ruesch, Naples, November 22, 2014

2015 Prato

Speaker at the refresher course on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Istituto Medico Toscano, Prato, February 7, 2015

2015 Villa Itria, Catania

Speaker at the refresher course on "New frontiers in gynecology" with a report on laser technologies for gynecologists. Villa Itria, Catania, February 19, 2015

2015 Bologna

Speaker at the refresher course on "New classifications of HPV-related pathologies. From Morphology to Molecular Bases" with a report on "New Laser Technologies for the Gynecologist". Hotel Royal Carlton Bologna February 20, 2015

2015 Fasano (BR)

Speaker at the update meeting on "MonnaLisa Touch, new laser technology for the gynecologist. Defeating vaginal atrophy naturally", UNIMED Centre, Fasano (Br) 21 March 2015

2015 Modena

Speaker at the XIIIth AOGOI Regional Congress with a report on "Laser in vulvovaginal therapy: from post-scarring pain to dystrophic dyspareunia", Department of Law, Modena 10 April 2015

2015 Ostuni (BR)

Speaker at the XIIIth AOGOI Regional Congress with a report on "New laser treatment technique for vaginal atrophy", Masseria Santa Lucia, Ostuni 08-09 May 2015

2015 Forlì

Speaker at the conference on "Hormonal contraception: personalized choices for women's well-being" with a report on "Hormonal administration routes vs. oral: when to choose them and to whom to propose them?", Forlì 23 May 2015

2015 Treviso

Speaker at the update meeting on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Villa Foscari Cornaro, Treviso 13 June 2015

2015 Lamezia Terme

Speaker at the AOGOI/AGITE/AIO/FESMED Regional Congress with a report on "the new treatment technique for vaginal atrophy", T Hotel, Lamezia Terme 20 June 2015

2015 Naples

Academic report as part of a scientific update on the use of laser in gynecology, at the Nicola Vaglio room of the "Federico II" University Hospital T Hotel, Naples 10 July 2015

2015 Milan

Speaker at the refresher course on vulvo-vaginal conditions with a report on "Fractional laser in gynecology: beyond vaginal atrophy...", Aula Magna Ospedale Buzzi, Milan 25 September

CONGRESS, EDUCATIONAL AND SCIENTIFIC ACTIVITIES

2015 Rome

Speaker at the refresher course on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", NH Hotel Leonardo Da Vinci, Rome, November 21, 2015

2015 Catania

Speaker at the refresher course on the modern approach to infertile couples and new PMS strategies with a presentation on "Vaginal atrophy: just a Touch", Centro G2, Catania, November 28, 2015

2016 Francavilla al Mare

Speaker at the refresher course on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Sporting Hotel Villa Maria, Francavilla al Mare, February 6, 2016

2016 Pistoia

Speaker at the refresher course on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Hotel Villa Cappugi, Pistoia February 27, 2016

2016 Ferrara

Speaker and tutor at the pre-congress theoretical-practical course ENDOGINE on sutures in laparoscopic surgery, Castello Estense Ferrara, March 09, 2016

2016 Rome

Speaker at the 2nd National Congress of the Italian Laser Dermatology Group (GILD) with a report on "Vaginal and vulvar fractional CO2 laser", Rome the Church Village, March 19, 2016

2016 Rome

Speaker at the AOGOI-AGITE Lazio regional congress – Women's health in Lazio between hospital and territory with two reports on "Evolution of the CO2 laser in gynecology" and "Fractional laser in the treatment of genitourinary syndrome. Results and perspectives", "Raffaele Bastianelli" Congress Centre, Regina Elena National Cancer Institute, Rome, Wednesday, May 4, 2016

2016 Trani

Speaker at the AOGOI Puglia Regional Congress on "Micro-ablative photorejuvenation technique", Palazzo San Giorgio Trani, May 10, 2016

2016 Modena

Speaker at the AOGOI Emilia-Romagna Regional Congress on "Body and Nature", Department of Law, Via San Geminiano, June 6, 2016

2016 Ravenna

Speaker at the 6th Ravenna Course 2nd MISWH Regional Workshop on "Menopause: "The uncertain time".. a global (re)vision", September 17, 2016

2016 Rimini

Scientific director, speaker moderator and at SHARE Shionogi, "Vulvo-vaginal atrophy: from the patient's perspective to therapy", Hotek Sporting November 5 2016

2016 Rome

Speaker at the Workshop on pelvic floor dysfunctions, with a report entitled "Can laser therapy improve urinary incontinence?", Sala Trapezio Università Campus Biomedico, Triglia, Rome, 28 November 2016

2016 LUGANO (Suisse)

Speaker at the Conference on Urogenital Syndrome of Menopause with a report on "MonnaLisa Touch, laser-vaginal-vulvar micro-fractionation technique. Experience of over three years of treatments", Hotel de La Paix, Lugano, December 15, 2016

2017 Modena

Speaker at the course on "Outpatient activity of the specialist medical practice: instructions for use", entitled "The use of laser in gynecology", Hesperia Hospital, Modena, January 28, 2017

2017 Assago (Milan)

Speaker at the 2nd AIGEF VULVA MUNDUS MINOR National Congress on "Genitourinary syndrome: laser treatment of the lower female genital tract", February 10-11, 2017, Royal Garden Hotel Assago (Milan)

CONGRESS, EDUCATIONAL AND SCIENTIFIC ACTIVITIES

2017 Faenza

Speaker at the Course "Updating in Medicine" with a report on Vaginal Atrophy: laser therapy, Faenza 11 March 2017, Centro Astrea Medical Center

2017 Saint-Vincent

Speaker at the Interregional Congress AOGOI-AIO with a report on "Fractional laser in the treatment of genitourinary syndrome", Saint-Vincent 27 May 2017, Billia Congress Center

2017 Modena

Speaker at the Regional Congress AOGOI Emilia-Romagna with a report on "Use of fractional laser in vulvo-vaginal atrophy", Modena 09 June 2017, Department of Law

2017 Cagliari

Speaker at the 1st European Congress of Ian Donald Schools with a report on "Update on diagnosis of uterine septum or subseptate uterus", Cagliari June 17, 2017, Regina Margherita Hotel

2017 Bologna

Speaker at the AGEO Refresher Course in Gynecology and Obstetrics with a report on "Laser treatment of vaginal atrophy", Bologna September 30, 2017, Convento San Domenico

2017 Grottammare (AP)

Speaker at the refresher meeting on "MonnaLisa Touch, new laser technology for gynecologists. Defeating vaginal atrophy naturally", Valentino resort Hotel Grottammare October 28, 2017

2018 Ferrara

Speaker at the Congress on Pelvic Pathology with a report on "Laser, which indications with which evidence", Sala Congressi Arcispedale Sant'Anna January 26, 2018

2018 Naples

Report at a scientific update meeting "Up date in Gynecology" Hotel San Domenico, Naples March 3, 2018

2018 San Paolo (Brazil)

Four reports at the XXI Congresso Brasileiro de Patologia do Trato Genital Inferior e Colposcopy on microfractionated laser treatment for vaginal atrophy and other clinical applications, San Paolo Brasile September 19-22, 2018

2018 Rome

Speaker at the 1st Expert User Meeting on MonaLisa Touch, Sala Orange, Hotel Ergife, Rome November 17, 2018

2018 Rovereto

Moderator at the Trentino – Alto Adige Regional Congress on "Screening ultrasound in the second trimester: from suspicion to diagnosis", Polo della Meccatronica, Rovereto 14 December 2018

2019 Campi Bisenzio (FI)

Speaker at the scientific update meeting "February is a woman.." on "Fractional laser in the treatment of genitourinary syndrome", Campi Bisenzio (Florence) 15 February 2019

2019 Viagrande (CT)

Speaker at the scientific update meeting on "I'm starting again from 50. Accompanying women in menopause: aesthetic and functional gynecology" on "CO2 laser in vaginal atrophy", Villa Itria Viagrande (Catania) 05 April 2019

2019 Sassocorvaro (PU)

Speaker at the scientific update meeting with a report on "The treatment of postpartum dyspareunia with CO2 laser and wide case history", Sala della Rocca di Sassocorvaro (PU) May 18, 2019

2019 Forlì

Speaker at the scientific update meeting with a report on "The treatment of genitourinary syndrome with laser: which indications with which evidence", Congress Hall of the Order of Physicians of Forlì, May 23, 2019

2019 Ravenna

Speaker at the scientific update meeting with a report on "Modern diagnostic-therapeutic techniques in gynecological patients", Centro Medico Lupetti, Ravenna May 29, 2019

2019 XXII CONGRESSO BRASILEIRO DE PATOLOGIA DO TRATO GENITAL INFERIOR E COLPOSCOPIA Rio de Janeiro (Brazil)

Three presentations at the XXII Congresso Brasileiro de Patologia do Trato Genital Inferior e Colposcopia on microfractionated laser treatment for vaginal atrophy and other clinical applications, Rio de Janeiro Brazil 02-05 July 2019

2019 Cattolica (RN)

Leader and sole speaker at the in-depth course on clinical aspects, safety, efficacy and practical indications for the prevention of tumors and HPV-related diseases and the therapeutic path of patients with HPV+, Waldorf Palace Hotel, Cattolica 11 October 2019

2019 Porto (Portugal)

Speaker at the International Congress "2nd World Congress On Obstetrics and Gynecology with a presentation on "The laser treatment of vaginal atrophy", Novotel Porto Gaia, Porto 4-5 November 2019

2019 Bologna

Speaker at the "SILD 2019 Laser Congress in Dermatology context" with a report on "When the laser helps the surgeon: Laser treatment in gynecology", Hotel Savoia Regency, Bologna 09 November 2019

2020 Perugia

Speaker at the "IX Interactive theoretical-practical course in Aesthetic Medicine and Hi-Tech Aesthetic Plastic Surgery" with a report on "New systems in advanced Aesthetic Medicine: Pathologies of the genital system (vulvo-vaginal atrophy)", Park Hotel, Perugia 17 January 2020

2020 Reggio Emilia

Speaker at the Course "Laser technology for the Gynecologist" with two reports on "Lights and shadows of the CO2 Laser in light of recent FDA notes" and "Use of the CO2 Laser in post-partum scars", Tecnopolo, Reggio Emilia 01 February 2020

2021 Webinar San Paul (Brazil)

Speaker in webinar mode with the Paulista School of Medicine of the Federal University of Sao Paulo (Brazil) on "Fractional laser, experience, indications and results", April 29, 2021

2021 WEBINAR CERVICOLP Sao Paulo (Brazil)

Speaker in webinar mode during the works of the XXX Congress - Update Meeting in Pathology of the Female Lower Genital Tract on "Fractional CO2 laser: What have we understood in recent years? Results and perspectives", May 22, 2021

2021 WEBINAR CERVICOLP CONGRESS San Paolo (Brazil)
